

CLUB TRAINING

If you have completed the Leader Training Guide and are wanting more supplemental training, we offer Leadership Development Units in 3 levels that you can do with your teachers in a group session or individually.

For more training information go to www.ngm.ag.org— Leadership Development

Bronze Level

Created to help teachers sharpen their skills and become more effective in the classroom. Unit topics include:

- Girls with Special Needs and Disabilities
- The Dynamics of Mentoring
- Understanding Learning Styles

Silver Level

Offers continued training centered on societal factors that affect the church today. Units include:

- Blending the Generations
- The World in Your Clubroom
- Your Girls Clubs Model

Gold Level

This training focuses on personal and interpersonal relationships as well as worldviews that influence us and those around us. Unit titles:

- Managing Conflict
- Living Graciously
- Building a Biblical Worldview
