

TN Girls Ministry - Getting Started

Order your Girls Ministry Catalog or Curriculum @ www.gospelpublishing.com
Or call 1-800-641-4310

Now that you have your plan of action and are getting ready to launch your new Club, below we are giving you a starter plan on what you need to order in the way of curriculum (depending on what Clubs you are going to start) for your Clubs.

Teachers

You will need the Sponsor Guide which has everything you need to disciple your girls. In this Guide you will find lesson plans for each unit, sample activity pages, reproducible resources and other club information. This is available in binder form or on CD-Rom.

Impact Clubs

Each girl will need her club-level Activity Pages. Each unit has a set of Activity Pages that are available together or individually so you can choose which Units you want to do and that meet the needs of your girls.

Teen Girls

For our teens, we provide Journal Pages that tie into each Unit taught. They are also sold together or individually so you can pick which Units you would like to do. Don't forget—the Intro Pages are really cool. They provide a prayer journal, Bible Reading Journal, address book and an undated calendar—the girls will love it!!

Your Girls Clubs can be taught two different ways—either with the Awards Achievement badges and other awards that we offer or without. The option is completely up to you. Remember: Girls Clubs is about discipleship. That is our priority for these girls to have a true encounter with God.

If you would like more information on the Awards part of the Clubs, see our Celebration section found in the Resource Link on our website for all the details of what requirements have to be met to receive full recognition for completing each Club. Please keep in mind that if you do the Awards in conjunction with your clubs, keep your Club open and welcome to the girls that might not be able to be faithful attendees to the point where they would not be able to complete the entire Club with Awards.

If you choose to not do the Awards for your Clubs, you can still purchase the badges when your student completes a Unit.
